Dear Ed,

This is an update on where things are at the moment:

- 1.) I am in California visiting my sister for a couple days before I meet [REDACTED] in Nevada for national Catholic Cemetery Conference. I'll be back for Sunday the 24th.
- 2.) I pray for [REDACTED] everyday for any pain I caused him.
- 3.) Parish rented a ballroom at Salvatore's for my 70th birthday Nov. 1.
- 4.) On Nov. 19 I am expected in Cape May, NJ for a wedding for a man from St. Mary's and a non-Catholic girl whose family lives in Cape May. Priest there said they could have the wedding as long as they brought a priest since her family are not members of the parish.

[REDACTED]

- 6.) I would like to make a Mission trip to Haiti in April then to assist Food for the Poor to raise money for people of Haiti as part of my penance.
- 7.) Any pastoral changes at St. Mary's would be sensitive, I think, as parish is number 2 in diocese for contributions to Upon this Rock, 2 or 3rd in assessments, and 7th in Catholic Charities.
- 8.) [REDACTED] was telling me he was asked to be a sacramental priest somewhere. I'm not sure what that means.

Take care. I know you have big responsibilities.

In Christ,

Bob
